Camden School For Girls: Provider Access Policy

Introduction

This policy statement sets out the school's arrangement for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the education Act 1997

Pupil entitlement

All pupils in years 8-13 are entitled:

1. To find out about technical education, qualifications and apprenticeships opportunities, as part of a careers programme which provides information about the full range of education and training options available at each transition point
2. To hear from a range of local providers about the opportunities they offer, including technical information and apprenticeships, through assemblies, taster events & PSHE career sessions.
3. To be supported in and understand how to make applications for the full range of academic & technical courses

Management of provider access requests:

Procedure

A provider wishing request access should contact: Deirdre Toman, Main school careers coordinator

Telephone: 020 7485 3414

Email: dtoman@csg.school

For sixth form careers contact: Emma Smith

Premises and facilities

The school will make the main hall or classrooms available for discussions between the provider and students dependent on the activity. The school will make available any specialist equipment to support any presentations given. This will need to be discussed in advance of the visit with the careers coordinator.

Any provider is welcome to send in or leave copies of their prospectus or other course literature with the Careers coordinator who will distribute it accordingly to either the careers area in the library or to relevant students/parents. The library is open to all students at lunch and break times. In addition, any extra online information or key websites could be sent to the careers coordinator to put onto the Careers google classroom.
